

NEW YEAR MESSAGE - OUR YEAR OF INCREASE

Psalm 115:14 - The Lord shall increase you more and more, you and your children.

1 Corinthians 3:6 - I have planted, Apollos watered; but God gave the increase

From these two verses, God is telling us that it's a season of increase and double blessing.....more and more... or “++”. God’s gifts are always good and If you add a good thing to something, the result can never be smaller than before.

Secondly, 1 Cor 3:6 says Paul planted and Apollos watered.... This year we must do our part and put in something into Gods Kingdom. We must put in effort in God's work...*plant or water something*....we must do something for God to work on. **What we have is good enough for God to use.** Everyone of us must do our share and work together in God’s kingdom. Eph 4:16
